1. KVP recruiting officers in the Leipzig-Halle-Merseburg are currently concentrating especially on the recruitment of female clerical personnel. In April 1955, the KVP Registration Board of Bezirk Halle (Bezirks-registrierestelle) levied a quota 45 stenographers on the Kreis Trade School (Kreisberufsschule) in Bitterfeld. These girls were to be recruited into the KVP for special training as clerks, teletype and telegraph operators and were to report for duty by 1 July 1955.
2. Since the age limits for such recruitments are 18 to 22 years, however, this quota could not be met by the Trade School. No more than six of the girls had reached the prescribed age limit and of these none was willing to enter the KVP.
